This new movie of 2009, based on the classic story by Nar-Tos, is a whole chain of complicated psychological analyses. It is a story about a woman whose life is ruined because of a man's negligence. Some fragments of the film were shot in Gyumri, Dilijan, Ijevan, Alaverdi, but the major part of it was taken in Tbilisi where there are some constructions, streets, utensils typical of the 19th century. It is directed by Hrach Keshishian and stars Nazeli Hovhannisyan, Khoren Levonyan, Tigran Nersisyan, Artur Karapetyan, Nelli Kheranyan & Karen Janibekyan. It is considered to be the first true classic film to be produced in Armenia in over three decades.
